

# SAIRAJ PATIL

Pune, India | P: +91 8767069180 | [linkedin.com/in/sairajpatil108](https://www.linkedin.com/in/sairajpatil108) | [github.com/sairajpatil108](https://github.com/sairajpatil108)

Engineer turned product thinker, I've shipped mobile apps, built government-scale systems, advised CEOs, enabled a funding round, and scaled operations 3X. I work across UX, AI, cloud, mobile, security and games. I don't just build features, I own outcomes.

## EDUCATION

|                                                                                                     |                          |
|-----------------------------------------------------------------------------------------------------|--------------------------|
